Stonebriar Psychiatric Services, P.A. Policies

OFFICE HOURS:

Monday through Thursday, 8:00 a.m. to 4:00 p.m. The office is closed major holidays and the week between Christmas Eve and New Year's.

APPOINTMENTS:

Sessions are by appointment only during regular office hours. Fees are based on time and sessions that go over will be charged accordingly. With the exception of emergency situations over which we have no control, our appointments begin promptly as scheduled. Your appointment time is reserved for you and you are encouraged to be certain that you arrive on time. If you are late, you will cut into your appointment time but will be responsible for the fee for the full time. **It is your responsibility to keep track of your appointments**. We make efforts to provide a courtesy reminder, but cannot guarantee that the reminder will be made or that it has been received. Reminders will normally be made via text message, the day prior to the appointment but this is not guaranteed and should not be relied upon to prevent your being charged for a missed appointment.

APPOINTMENT CHANGES/CANCELLATIONS:

Patients agree to notify the office of appointment changes or cancellations as far in advance of the scheduled time as possible to allow another patient to utilize the time. There is a required **mimimum** notice of 24 business hours for individual sessions, a **minimum** notice of 48 hours for extended sessions (75, 90 and 120 minutes) and a **minimum** 1 week notice for scheduled intensives (over 120 minutes in one day) and all appointments during a holiday week, to avoid being charged for the time reserved. Monday appointments must be cancelled by the corresponding time on Thursday to avoid being a late cancel. If this minimum notice is not respected, patient will be charged the full fee for the time reserved. In the case of inclement weather, call the office first thing in the morning to see if the office has been closed. If not, and you are uncomfortable driving, you may have a phone session instead. In that case, you must call the office **prior to your appointment by at least 10 minutes and** give the receptionist your credit card information/authorization so you will be ready to be connected for your phone session. Receipts will be e-mailed to you. If you do not call or come to your appointment, you will be charged.

If, for any reason, SPS must cancel an appointment, the patient will be advised as soon as possible.

FEES AND PAYMENT:

Payment is required at or before the time of the appointment. We provide coded receipts for patients who wish to file for reimbursement on their own, but we do not deal directly with health insurance companies, nor do we complete or sign forms, provide treatment plans, or forward records. Depending on your individual coverage, you may qualify for benefits. You will need to check with your insurance carrier for details about your specific coverage. Please keep the documentation given to you at time of treatment. Additional copies will incur a fee to research and photocopy receipts. You may also use this documentation to file your claim if you participate in a cafeteria or medical reimbursement plan at your place of employment. There is a $ 35.00 charge for bounced checks and a $ 5.00 charge for declined credit cards.

EMERGENCY CALLS:

During office hours, for calls that are urgent but not life threatening, please speak to the staff. For those that represent a life threatening emergency, always call 911 immediately or go to your local emergency room. When you are expecting a return call and your telephone **Caller ID** does not accept "Private or Blocked Calls", we will not be able to return your phone call. Please **unblock** your **Caller ID** prior to placing your call. Fees will be charged based on time required. Additional fees apply to contact outside of office hours.

REPORTS, LETTERS, RECORDS, DISABILITY FORMS

May be provided at doctor's discretion and incur a fee, depending on the complexity of the document and time involved.

CONTACT POLICY:

Except in extreme situations, contact will normally be restricted to session time. There will be a routine charge for phone calls based on the time spent per call. For more extensive phone calls, please schedule a phone appointment with your physician.

Although we have e-mail available, patients are advised that e-mail transmissions are not secure and therefore may not be confidential. We will not conduct e-mail therapy sessions.

PRESCRIPTION POLICY:

If you have been given a controlled prescription, it is regulated by our state government. Please be aware that these prescriptions **must be filled within 7 days**, and no refills are allowed. If you do not fill the prescription in the 7-day time period you will be required to pay the **$20.00 fee to re-issue it**. **PRESCRIPTIONS FOR CONTROLLED SUBSTANCES CANNOT BE CALLED IN AND MUST BE PICKED UP OR MAILED.** When requesting a refill, please provide all information regarding the prescription you are requesting, including your pharmacy name and number. Prescription refills incur a $20.00 fee. A mail out fee of $5.00 is charged for prescriptions requested to be mailed.

Take all medication as prescribed. As with all medications, these have been prescribed for you exclusively, based on knowledge of your personal needs and medical background. Sharing these medications is both medically contraindicated and illegal. Your cooperation is appreciated. Prescriptions will **only** be called in for those who are *current patients and who maintain their regularly scheduled appointments*. We do not participate in "auto refills". You will generally have enough refills on your prescriptions to last until your next appointment and it is your responsibility to schedule and keep your appointments as suggested. If you cancel or fail to schedule your next appointment, you will need to make arrangements to be seen prior to receiving a refill. Refills may be requested between 9:00 am and 4:00 pm on weekdays. **We will not be able to provide immediate refills to walk-in patients, nor do we issue refills in the evenings or on weekends or holidays.**

TERMINATION POLICY:

Patients are under no obligation to continue services should they decide to terminate at any time. However, we strongly urge that the doctor be notified in person during a session regarding this decision so that it can be discussed openly. Dr. Tharp's goal is to make all terminations as therapeutically helpful as possible. We reserve the right to terminate treatment for individuals who repeatedly fail to make or keep appointments or follow treatment recommendations.

ACCEPTANCE OF POLICIES:

In order to serve our patients efficiently and responsibly we require agreements be made as to the policies stated above. Patients are encouraged to ask questions before signing.
