OFFICE HOURS:

Sessions are by appointment only during regular office hours: Monday through Thursday, 8:00 a.m. to 4:00 p.m.

APPOINTMENTS:

Initial Psychiatric Evaluation appointments are 70-75 minutes, therapy sessions are 45-50 minutes, and medication follow-up appointments are 20 minutes. Fees are based on time and sessions that go over will be charged accordingly. With the exception of emergency situations over which we have no control, our appointments begin promptly as scheduled. Your appointment time is reserved for you and you are encouraged to be certain that you arrive on time. If you are late, you will cut into your appointment time but will be responsible for the fee for the full time.

APPOINTMENT CHANGES/CANCELLATIONS:

Patients are requested to notify the office of appointment changes or cancellations as far in advance of the scheduled time as possible to allow another patient to utilize the time with a **minimum** notice of 24 business hours for individual sessions and a minimum of 48 hours for extended sessions. Monday appointments must be cancelled by the corresponding time on Thursday to avoid being a late cancel. If this minimum notice is not respected, patient will be charged the full fee for the time reserved. In the case of inclement weather, call the office first thing in the morning to see if the office has been closed. If not, and you are uncomfortable driving, you may have a phone session instead. In that case, you must call the office **prior to your appointment by at least 10 minutes and** give the receptionist your credit card information/authorization. Then, call back at your scheduled time to be connected for your phone session. Receipts will be e-mailed to you. If you do not call or come to your appointment, you will be charged.

If, for any reason, the doctor must cancel an appointment, the patient will be advised at the earliest possible time.

FEES AND PAYMENT:

Payment is required at the time of the appointment. We provide medically coded receipts for patients who wish to file for reimbursement on their own, but we do not deal directly with health insurance companies, nor do we complete or sign forms, provide treatment plans, or forward records. Depending on your individual coverage, you may qualify for benefits. You will need to check with your insurance carrier for details about your specific coverage. Please keep the documentation given to you at time of treatment. Additional copies will incur a fee to research and photocopy receipts. You may also use this documentation to file your claim if you participate in a cafeteria or medical reimbursement plan at your place of employment.

EMERGENCY CALLS:

During office hours, for calls that are urgent but not life threatening, please speak to the staff. For those that represent a life threatening emergency, always call 911 immediately or go to your local emergency room. When you are expecting a return call and your telephone **Caller ID** does not accept "Private or Blocked Calls", we will not be able to return your phone call. Please **unblock** your **Caller ID** prior to placing your call. Fees will be charged based on time required.
